No.
Enclosure No. 8 & 10

Sir, 22

I have the honour to state that one of the heaviest drain on the ----- resources of the District Board is the improvement and upkeep of the roads --- under their control. The length of the District Fund Roads in the District is 271¼ miles with an annual mileage allot--ment of Rs 20.255 the grant varying fro Rs 40 to Rs 150 per mile. The present gra has been considered very low since only half the quantity of work can be done on the roads under the altered conditions o the times and it is not possible to secu a reasonable standard of perfection in - them unless the mileage allotment for al District Fund roads are raised permenent with due regard to the phenominal increa of wages and prices of materials in recent years. An allotment of Rs 45.885 p annum is what has been considered as a

definite proposals for increasing the mileage allotment for roads will be submitted in consultation with the Chief Engineer.

I have the honour to be

No. 89 63/22-23 of 18.11.22	24. Section 24 of the F.M.S. Railway Regulation lays down that Railway Cess should be utilized solely in the construction of tramways and railroads and interest accruing on such funds must under ordinary conditions partake of the nature of the principal.
	25. But as this direction refers to the railway cess itself and does not in terms refer to the interest on such cess & do not consider that there can be

JUDICIAL & REVENUE SECRETARIAT 20 OCT 1922 JUDICIAL SEC: BRANCH

GENERAL REV. SECT. 18 NOV 1922

NOTE—Contn. sheet.

Serial No.

any legal objection of a substantial character to the use of interest on railway cess for other than railway purposes, as long as the purpose is a public one and the necessity for the expenditure is felt and recognized by both the District Board and the Government. Because as often as the expenditure has somehow to be met from the District Fund, it will have to come from some part of it.

26. The other provisions of the Regulation give us some support in taking the above view.

27 Railway cess is also part of the District Fund, as it comes under clause (xi) of S. 23 (1) and under subsection (3) the District Board has the power, if consistent with the sanction of Government, to invest such cess (being part of District Fund) in Government Securities or in any Bank as a deposit at interest.

NOTE—Contn. sheet.

and such interest shall be credited to the District Fund under the same subsection. So, though under S. 24 the corpus of the cess cannot be utilized for other than railway purposes the interest accruing therefrom goes to the District Fund and becomes available for any of the purposes specified in section 8, 9 etc as permitted by S. 27(1)

28 I do not think there can be any substantial objection to the use of the interest on the cess for some other necessary and urgent purpose the necessity for which is felt both by the D. Board & the Government. The objection, if any is only of a technical character and cannot override real necessity.

Final Note by the Second Member of Council.

Subject :—

Question of permitting District Boards to utilize the interest on the proceeds of Railway Cess for the upkeep of Roads.

These papers relate to the question of permitting the District Boards to invest their surplus balances in a Bank and utilize the interest thereon for the maintenance of District Fund roads. These balances include the proceeds of the Railway Cess, the unspent amounts at the credit of the Drinking Water Wells' Fund &c. The proposal to utilize the accumulated proceeds of the Railway Cess for the upkeep of roads was first made by the Mysore District Board, but its consideration was deferred in view of the contemplated resumption of the construction of the Nanjangud - Chamarajanagar Railway. The Chitaldrug District Board have now proposed to adopt a similar course for meeting the cost of maintenance of the District Fund Roads. It is reported that the allotment for this purpose has to be more than doubled if the roads are to be maintained in a satisfactory condition and that for want of other means the District Board have resolved to invest as a fixed deposit in the Bank of Mysore 4½ lakhs of rupees out of the balance at the credit of the District Fund amounting to Rs.767319 which includes a sum of 3 lakhs under Railway Cess, Rs. 35,869 under Drinking Water Wells' Fund and Rs. 46,020 out of the loan raised for the Chickjajur-Chitaldrug Railway. In recommending the resolution for the sanction of Government, the Deputy Commissioner also points out that there is no near prospect of any scheme of railway extension being taken in hand and that the interest on the accumulated railway cess, which is now lying idle, can well be utilized for the improvement of the roads in the District. That the roads require to be improved and that the District Board cannot spare the additional funds required from its ordinary revenues admit of no doubt whatsoever. But the legality of diverting the interest on the

Y B 48.22

proceeds of the Railway Cess for other than improving railway facilities in the District has been doubted, though the Government Advocate is of opinion that such diversion can be justified under the Local Boards and Village Panchayet Regulation under which the Cess is levied

Pages 3 to 5 of office notes

As the proposal of the District Board involves an important question of principle, it was considered at a meeting of the Council and the following resolution was recorded:-

Pages of do

"Government do not approved of the proposal to divert the interest derived from the accumulated Railway Cess for any other purposes, as the fund as well as its interest should be left in tact for the original object".

The opinion of the Council may be graciously approved.

No.

Enclosure No. 1

Sir,

In continuation of this office No.C. 713 L.F.21-22 dated 15th August 1922 soliciting sanction to the resolution of the District Board to invest a portion o the surplus balance amounting to Rs 45000 including the accumulated railway cess o Rs 3,00,852 in the Bank of Mysore and uti lise the interest derived therefrom towards the improvement of the District Fund roads in the District, I have the honor to state that Government have directed in their order No.5532-40/L.B. 48-22-6 dated 1st February 1923 that the interest realised on the accumulated railway cess should not be utilised for the improvement of the roads and the ces with its interest should be left in tac for original object i,e, construction of railways in the District. The accumulate railway cess is lying idle at present and is not likely to be required for the construction of railways in the District in the near future. It is therefore

ery desirable that the amount should swell until the same is utilised for the purpose intended. The District Board have accordingly resolved in their meeting held on 3th March 1923 that a sum of R 3,00,000 out of the accumulated railway cess may be deposited at interest in the Mysore Government Savings Bank.

The balance at the credit of the District Board was R 2,31,056 on 1st July 1922 excluding the railway cess, public debt and Taluk and Village Panchayat funds. As the whole amount is not required for current expenditure, a portion of it may also be deposited at interest in any of the Banks and the interest accruing therefrom be utilised towards the recurring expenditure of the Board which is increasing in several directions and which the Board cannot fully meet with their present sources of revenue. The District Board have accordingly resolved to invest a sum of R 1,50,000 out of the District Fund Balance also in the Mysore Government Savings Bank in pursuance of Government order No.P.W. 4588/G.F.173-19-2 dated 4th February 1920 which provides for surplus funds of Local Bodies being deposited at interest in the Government Savings Bank.

I accordingly recommend that the proposal of the District Board to deposit at interest a sum of R 3, 0,000 out of the railway cess and also a sum of R 1,50,000 out of the District Fund Balance in the Mysore Government Savings Bank may kindly be sanctioned early.

Copy of the resolution of the Board is enclosed for reference.

I have the honor to be,

S I R,

Your most obedient servant,

President, District Board,

Chitaldrug District.
